Yah, Akon, â€¦ burning on the dance floor
Red one, it's nice to be â€¦ , to be nice
Mohombi â€¦
Situation dirty, situation dirty x 3
She's like 66 hundred â€¦ angel in the disco
She dropping low back it up, mommy's on the motion
Shakin that booty, ok, shakin that booty, ok X 2
â€¦ I'm electrified, got my eyes spinning like a yo-yo
My mind is fly in the sky, let the little â€¦
Time to get tipsy, ok , time to get tipsy X2
O baby, this body, your body, your body, your body is
looking dirty
Dirty, so dirty, dirty can't help it(?) , freak it, freak it
The situation's dirty, dirty dirty, dirty
This body, your body, your body, your body is looking
dirty
Dirty, so dirty, dirty can't help it(?) , freak it, freak it
The situation's dirty, dirty dirty, dirty
When I came in the â€¦ show (?) â€¦
Look in the face fan she would of made me (?)
But forget of the role man she would have me, would
have me
But I've been telling the place man she would have
blamed me
But â€¦ on my face she forget me
Baby go in the place, begin to call dray z(?), she gonna
dray z
But know â€¦ she wouldn't be pleased, never forget
them make them leave
â€¦ wouldn't believe, you wouldn't believe

After all that been done on me, now she always wants
to follow me
Girl you know, you can call on me, call on me
This body, your body, your body, your body is looking
dirty
Dirty, so dirty, dirty can't help it(?) , freak it, freak it
The situation's dirty, dirty dirty, dirty X 2
Dirty girl, I'm the cleaning men I put my gloves on
So I can clean your mess up, you rocking with a mess
body X 2

Working off your dress body, working off your dress
This body, your body, your body, your body is talking
dirty
Dirty, so dirty, dirty can't help it(?) , freak it, freak it
The situation's dirty, dirty dirty, dirty
This body, your body, your body, your body is looking
dirty
Dirty, so dirty, dirty can't help it(?) , freak it, freak it
The situation's dirty, dirty dirty, dirty
Situation dirty, dirty , situation dirty X 3
