[Verse 1 - Rick Ross]

White girl, that Ricky Lake  
That boy can't feel his face  
Rozay and I'm blowed up  
Sho nuff, no cut  
1 block, 2 Chainz, 3 dudes, 4 thangs  
550 S-Class, inside it's jet-black  
You know me, I'm with that  
Snitch and you kidnapped  
I show up, you ho up  
I get dough, boy hold up  
You went broke? That shit cray  
Maybach, my shit gray  
Run this, you know that  
One mil cash, that boy back

[Hook]

I'm round and round and I'm gettin it  
It's mine, I spend it..  
It's mine, I spend it..  
I'm round and round and I'm gettin it  
It's mine, I spend it..  
I'm round and round and I'm gettin it

[Interlude - 2 Chainz]

I'm smoking on exotic  
My girl ain't got no stomach  
Every time we have sex she always ask me for a  
hundred  
I ask her if she working  
She ask me if I want it  
I say when I went to school, bitch, money wasn't a  
subject
