[[Chorus]

The summer's mine  
The summer's mine  
I'm buying ten bottles b-tch  
And I'm on number nine

The summer's mine  
The summer's mine  
Everytime she see a new whip  
She know it's one of mine

[verse 1]

The summer's mine  
New silver scaglietti  
F-ck a ron don you n-ggas ain't ready  
You nigg-s is petty  
You nigg-s spaghetti  
Bustin' yo meatball

Leave you paraphlegic  
You throwin' up sets  
But you really from Cleveland

I'm what you wanna be  
This how you wanna live  
This what you wanna drive  
Be honest with yourself  
I'm who you idolize

The summer's mine  
I'm buying ten bottles b-tch  
And I'm on number nine

She know it's one of mine

The summer's mine
