[Rick Ross]

I hop out the BM, I park right next to young Hov

Took a page out the bible, I'm rocking all yellow gold

Face to face with my rivals these haters praying I fold

All I sold 'em was candy, I need a hammers?

Took the doors off the jeep

Now we just ride slow

New Air Yeezy's on my feet

I got 'em hanging out the door

It's double M G

Rihanna grinding it slow

We dominate the streets

That's cause we grinding the most

Ya know?

[Rihanna - Hook]

One and two and a three and four

Come on let me know if you want some more

You know what I like, now get right

Boy talk that talk to me all night

Yeah boy I like it yeah boy I like it

Love it when you talk that talk to me yeah

Yeah that talk to me yeah

Love it when you talk that talk to me, yeah

[Rihanna]

Say what you want, say you want you like

Say you want me to do and I got you

Tell me how to love you, tell me how to hold you

I'm gonna get it right on the first try for you

Cause you ain't never had a woman like me, yeah

And you will never have another like me, yeah

Noooooo

So Iâ€™ ma give it to you baby

[Hook]

[Jay-Z]

I be trying to chill, bitches wanna fâ€™ck me  
Every little city I go, fâ€™ck me  
Shawty mustâ€™ ve heard, got the word, I move that D  
Had it by a bladder, she like â€œoh I gotta peeâ€  
Ran into a Rothko in my restroom  
Singer slash actress in my bedroom  
God I have the ticket for a walk through  
Everything I do is big  
I talk big money, I talk big homes  
I sell out arenas, I call that getting dome  
Million dollar voice, came through the phone  
We heading to the top, if you coming, come on  
Iâ€™ m Flying out to Pisa, just to get some pizza  
Fly down to Jamaica, just to roll some reefa  
Sex on the beach, left love speechless  
They say that money talk, tell these other niggas speak  
up  
Whatâ€™ s up

[Hook]

[Bridge]

What you saying now, give it to me baby  
I want it all night, give it to me baby  
What you saying now, give it to me baby  
Give it to me baby, give it to me baby

What you saying now, give it to me baby  
I want it all night, give it to me baby  
What you saying now, give it to me baby  
Give it to me baby, give it to me baby

[Hook]
