[Intro:]

Come and listen a little bit!
It feels good to be the boss right now
You made that point in my life
You gotta feel me!

Niggas bitch and complain
Bitch, while I'm rich off cocaine
I got your favourite rapper bitch suckin' dick in my
range!
I've been in on them things
Lil ignorant lames, makin claims, full blown fit the
chains
Who runnin this shit?
Who triller than boss?
Now she sucking my dick, so she licking my balls.
You know my cribs huge,
I got three maids, I got a big pool, my shit is...
Bitch, I'm living my dreams!
There is a God, I remember when dinner depended on
my fishing rod
Now the cars Jaguars with the missing tops,
Niggas thugs no gloves when the pistols pop.
I pop my Impalla, how we get so polished?
Standing with Sean Carter, his favourite is Vodka with
three artists
Started a non-profit, but trust me I'm all profit!
I'm doing them big numbers and trust me that's all
lucky!
Maybachs Mayhem, millionaires say him,
Hangin out the window just, a waving at you lay- ems.
Lames! I can't even see em in my circumference,
I'm the one you wont fuck with!
Ricky!
Boss! Maybach music!
My style is my critics
My vile is so vivid,
Cause I... come and get some experience!
Bitch, I make the rules and I call the shots
Yeah, I'm making moves, all you haters not
All my favorite fools, as the bottoms pop

Fuck with Jamaican dudes cooler than Guala shots
Ain't got a lot of... ain't got a lot of bodies
Kamikaze in Masserati with the shower...
I'm that big belly man, big belly man, man
I'm the big belly man, I'm that big belly man,
Fat son of a bitch, that doing bitch, fast
It's all I spit and fast, just like my dick come back!
Getting my bitches dance, official in these beats
I break them down my feet, went up on niggas
At least fifty per cent is fifty for me to spit
You can kiss me, ... take fifty for me to flinch
And you're dead broke, bitch, I'm looking at your shoes
Glance at the.. see the other in the blues
It's a full time job not to do nigga
Looking, these fags won't sue niggas!
Menace to society, this is bad variety
She care on the real, nigga
Cheers just to... of me ...
...the bitch to the ghetto, fuck the...
She came, she came, so she very glad she came
The biggest nigga in the game, my name!
