If they wanna go to war, well let's take 'em to war

You niggas gonna feel this
La, la, la, la, la, la
You niggas gonna feel this
La, la, la, la, la, la
You fucking with the trillest
La, la, la, la, la, la
You niggas gonna feel this
La, la, la, la, la, la

Fuck niggas always get this shit bad
That's real, wanna stab me in the back
Ridin' around town sellin' real weight
Gotta keep going till I get straight
Last night they pull another body out the lake
We got some zombies out here wanna eat a nigga's
face
Gotta stay real, nigga, can't fake
Niggas got beef with a straight face
Can't have no stick, no extendo
Nigga wanna go to war holla ten fold
Baby mama fucking niggas rapping on the street
Now you seeing all the tracks breaking down to key
If you got a pistol, better hold it up, nigga
Yeah, you better keep it with you for this fuck niggas
Say you want a kilo, gotta pay taxes
Nigga kill peanut, he goona pay it back

You niggas gonna feel this
La, la, la, la, la, la
You niggas gonna feel this
La, la, la, la, la, la
You fucking with the trillest
La, la, la, la, la, la
You niggas gonna feel this
La, la, la, la, la, la

I'm looking in your eyes and it's all fake
Niggas in the prison killing over cornflakes
Time to get a new piece but I'm gonna wait

Till the feds get my dog his new release day
Young mogul, but a nigga came from the mud
Say a prayer, I pray my son never be a thug
Came up with a plan, nigga, Iâ€™m a mastermind
Richest nigga in the hood, I ainâ€™t hard to find
Swear to God, â€¦ niggas sold me
He ainâ€™t got a lot of bitches â€™cause he wonâ€™t pay
Lord taking my shot to show my war wound
Gave a million to my dogs like itâ€™s dog food
Real niggas know to do the real thing
Standing on 15 by 15, hey all 15 come and get me
Then I know the real niggas gonna miss me

You niggas gonna feel this
La, la, la, la, la, la
You niggas gonna feel this
La, la, la, la, la, la
You fucking with the trillest
La, la, la, la, la, la
You niggas gonna feel this
La, la, la, la, la, la

You niggas gonna feel this
La, la, la, la, la, la
You niggas gonna feel this
La, la, la, la, la, la
You fucking with the trillest
La, la, la, la, la, la
You niggas gonna feel this
La, la, la, la, la, la

You niggas gonna feel this
You niggas gonna feel this
You fucking with the trillest
You niggas gonna feel this
