You know I had to fuck with my niggas, shit
Don't turn em up, this all I do, nigga
Touch money and touch bitches
Talk shit and swallow, spit

Huh, she in love with my hustle, the lamborghini the
rory
I put tvs in the back sega dream cast and attari, play
with it
I'm blowing loud, smoking out a trap back
Tony montana real estate, go check my lap back
I'mma back to back like we riding through baghdad
Got them chopper gold plated bitch nigga back, back
I met her on the pole, I let her ride
I let her see some cake, I know I'm out of sight
Thumbin thru the check, thumbin thru the check
Three hundred on my wrist, swear to god I won't
confess
Thumbin thru the check, thumbin thru the check
Three hundred on my wrist, another hundred on my
neck

Thumb thru the check, thumb, thumb thru the check
(? I got em)
Thumb thru the check, thumb, thumb thru the check
(Fuck around and shoot em is what I'll do)
Thumb thru the check, thumb, thumb thru the check
(I celebrate and finger fuck you)
Thumb thru the check, thumb, thumb thru the check
(Be my most everything I do since I was two)
Thumb thru the check, thumb, thumb thru the check
(I don't know about you know what I'm gonna do)
Count on, count on
Thumb thru the check, thumb, thumb thru the check
It's all I love to do
Thumb thru the check, thumb, thumb thru the check
It's all I wanna do
Thumb thru the check, thumb, thumb thru the check
All day, everyday
[Lyrics from:]
Thumb through the check, make sure it's adding up

Thumb thru to the check, rubber band and bag it up
Thumb thru to the check, I don't know ya ass like that
Ain't no disrespect, make sure it ain't counterfeit
I gotta thumb thru to the check, may sure it correct
You know the nigga be playin games, but we ain't
going for that
Thumb thru the check, he planned, I paid the bounty
Quick a picker upper bitch I'm from fourteen county
Thumb through the check, on everything I love
You shake your bootie girl!
My favorite club the bootie club
Thumb to the check, I swear this shit so fun
Stacked a hundred stacked the twenties spend the 10's
5's and ones

Thumb thru the check, thumb, thumb thru the check
(Fuck 'em when I shoot, I dwear is what I do)
Thumb thru the check, thumb, thumb thru the check
(I celebrate and finger fuck you)
Thumb thru the check, thumb, thumb thru the check
(Be my most everything I do since I was two)
Thumb thru the check, thumb, thumb thru the check
(I don't know about you know what I'm gonna do)
Count on, count on
Thumb thru the check, thumb, thumb thru the check
Is all I love to do
Thumb thru the check, thumb, thumb thru the check
Is all I wanna do
Thumb thru the check, thumb, thumb thru the check
All day, everyday

I just did a million dollar, dumped it all in 60 seconds
Count it all with one hand, finesse and thumb it through
the check
Brickfare, I thumb through it, free benz I thumb thru it
I'm sleeping, thumbing through the check
Got money in every room
Future up and put out thumb through checks, throw
them down on you
Checking my pocket, she taller than you
Thumb thru the check, thumb thru the check
I just fucked your bitch, I don't get that hoe no check
70 thousand round my neck, that's another check
Pull up at the dealer, let them thumb thru check
Thumb thru the check, finesse, finesse, finesse
Thumb through it, blow through it, juke that shit right
back

Thumb thru the check, thumb, thumb thru the check
(Fuck 'em when I shoot, I dwear is what I do)
Thumb thru the check, thumb, thumb thru the check

(I celebrate and finger fuck)
Thumb thru the check, thumb, thumb thru the check
(Be my most everything I do since I was two)
Thumb thru the check, thumb, thumb thru the check
(I don't know about you I don't what you gonna do)
Count on, count on
Thumb thru the check, thumb, thumb thru the check
Is all I love to do
Thumb thru the check, thumb, thumb thru the check
Is all I wanna do
Thumb thru the check, thumb, thumb thru the check
All day, everyday
Thumb thru to the check
