At the the top it's just us niggas  
But I don't really trust niggas  
Otf it's just us nigga  
But I don't really trust niggas  
Gbe we don't fuck with niggas  
At the top where you see us nigga  
Since a youngin bitch we been them niggas  
Since a youngin bitch we been them niggas

Michael jackson got them things just like thrilla  
Two don't make that clean, smoking on killa  
You a stranger talkin and I don't feel it  
If I don't know your mama, I'mma make em feel it  
Heavy armor, all you know I wanna shine  
Bitch I need it all, each and every dime  
Photos taken, photo maybach, I know you hatin  
Skatin with women from stanton island, my flow so  
flagrant  
We the realest, pistol concealed, my percentage  
Higher than yours, cash money - I see no limits  
Poured up my henny then I drop trilla  
Ex-dope dealer worth 8 figures

At the the top it's just us niggas  
But I don't really trust niggas  
Otf it's just us nigga  
But I don't really trust niggas  
Gbe we don't fuck with niggas  
At the top where you see us nigga  
Since a youngin bitch we been them niggas  
Since a youngin bitch we been them niggas

Just got back from turks and cake, those hoes are at  
the villa  
Only nigga making albums with no fucking filla  
New deal on the table look like bob, like tim miller  
Shout my lawyer man, here come track killer  
You know 3-05 ripley, that's my fuckin nigga  
Did this shit right here for braka, plain styles and gylla  
Did this shit right here for reese's soul's afraid of  
dirt

You let dreezy get a verse, you go get this work  
At the the top it's just us nigga  
That's why I don't really trust niggas  
See my family and the money is a must nigga  
All the fame and all the pussy's just a plus nigga

At the the top it's just us niggas  
But I don't really trust niggas  
Otf it's just us nigga  
But I don't really trust niggas  
Gbe we don't fuck with niggas  
At the top where you see us nigga  
Since a youngin bitch we been them niggas  
Since a youngin bitch we been them niggas

Since a youngin bitch we been them niggas  
A small circle with no new niggas  
Because I don't really trust niggas  
Gbe it's just us nigga  
And she just wanna fuck with us  
So much kush keep me stuck nigga  
In other words high as fuck nigga  
Life's a movie I'm a priceless picture  
400 for the belt nigga  
Right or wrong you'll get left nigga  
For that bag you'll get left nigga  
For my niggas you'll get left nigga

At the the top it's just us niggas  
But I don't really trust niggas  
Otf it's just us nigga  
But I don't really trust niggas  
Gbe we don't fuck with niggas  
At the top where you see us nigga  
Since a youngin bitch we been them niggas  
Since a youngin bitch we been them niggas

I love this beat  
Oh man, my feeling gone bad  
I pay for pussy, oh man she gotta be bad  
She fuck with me, that bitch know I'm bout to buy  
them bags  
Beef with me, fuck boy bout to go at me  
I woke up cal money making 34  
Type of money she fuck me, she gotta fuck er soft  
Them other boys were known for letting niggas starve  
We eatin good, not my 40 wing stops  
My new home looks like it's acapela  
My new bitch looks like she in them 4's  
My new wash look like I had a stove  
Barry white told me I'm gold, god forgives, I don't

Me and drizzy like the peedles nigga  
Same one, satin wood and on the beat em niggas  
We let em stare but we don't see them niggas  
We don't see them niggas

At the the top it's just us niggas  
But I don't really trust niggas  
Otf it's just us nigga  
But I don't really trust niggas  
Gbe we don't fuck with niggas  
At the top where you see us nigga  
Since a youngin bitch we been them niggas  
Since a youngin bitch we been them niggas
