[Rick Ross:]

I met her like a month ago south beach bungalow
We rollin in dat white thang
I'm rolling up one of those
She lookin like my wife thang
Boy I need one of those
Girl it's not a slice thang ask about me
My heart in the trap my money on my mind
But when I got you in my lap
We far from killing time
And they say that opposites attract
But we both on our grind
I love to touch you from the back

[Justin Timberlake:]

Hey girl, is he everything you wanted in a man
You know I gave you the world
You had me in the palm of your hand

So why your love went away
I just can't seem to understand
Thought it was me and you babe
Me and you until the end
But I guess I was wrong

Don't want to think about it
Don't want to talk about it
I'm just so sick about it
Can't believe it's ending this way

Just so confused about it
Feeling the blues about it
I just can't do without ya
Tell me is this fair?

Is this the way it's really going down?
Is this how we say goodbye?
Should've known better when you came around
That you were gonna make me cry
It's breaking my heart to watch you run around
'Cause I know that you're living a lie

That's okay baby 'cause in time you will find...

What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around, yeah

Now girl, I remember everything that you claimed
You said that you were moving on now
And maybe I should do the same
The funny thing about that is
I was ready to give you my name
Thought it was me and you, babe
And now, it's all just a shame
And I guess I was wrong

Don't want to think about it
Don't want to talk about it
I'm just so sick about it
Can't believe it's ending this way
Just so confused about it
Feeling the blues about it
I just can't do without ya
Can you tell me is this fair?

Is this the way things are going down?
Is this how we say goodbye?
Should've known better when you came around
(should've known better)
That you were going to make me cry
Now it's breaking my heart to watch you run around
'Cause I know that you're living a lie
That's okay baby 'cause in time you will find

What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around

[Pitbull:]

This is, ah this goes out to every couple in the world
That goes through the same thing which is called
cheatin

Mami you know you the only one I can't control what
they talk about
You listen to the he say she say might as well pack my
shit start walkin out
You know they blood boil when ever they see us
together
I'm not sayin I'm an angel but damn I thought you knew
me better
Why you listenin to these foot draggin hood rats loose
tongue havin' with chicken head habits bitches
At the end of the day they wish they was u ain't no tellin
what these bitches'll do u know it's the truth,
If you know so much then where is the proof?

[Justin Timberlake:]

Just so confused about it

What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around

Let me paint this picture for you, baby

You spend your nights alone
And he never comes home
And every time you call him
All you get's a busy tone
I heard you found out
That he's doing to you
What you did to me

Ain't that the way it goes

You cheated girl
My heart bled girl
So it goes without saying that you left me feeling hurt
Just a classic case, scenario
Tale as old as time
Girl you got what you deserved

And now you want somebody
To cure the lonely nights
You wish you had somebody
That could come and make it right

But girl I ain't somebody I'm out of sympathy
See

(What goes around comes back around)
I thought I told ya, hey
(What goes around comes back around)
I thought I told ya, hey
(What goes around comes back around)
I thought I told ya, hey
(What goes around comes back around)
I thought I told ya, hey

See?
Hey, hey, hey, hey...
You should've listened to me, baby
Because
(What goes around comes back around)
