JUSTIN TIMBERLAKE - WHAT GOES AROUND REAL REMIX  
(EXCLUSIVE!)

Rick Ross:

I met her like a month ago south beach bungalow  
We rollin in dat white thang  
Im rolling up one of those  
She lookin like my wife thang  
Boy I need one of those  
Gurl its not a slice thang ask about me, money loss  
My heart in the trap got my money on my mind  
But when I got you in my lap  
We far be from killing time  
And they say that opposites attract  
but we both on our grind  
I love to touch you from the back

Pitbull:

This is ah this goes out to every couple in the world  
that goes thru the same thing which is called cheatin  
I'ma tell u mami like I tell the judge I don't know nuthin  
about nuthin nowhere haha  
Mami u know u the only one I can't control what they  
talk about  
YOu listen to the he say she say might as well pack my  
shit start walkin out  
You know they blood boil when ever they see us  
together  
I'm not sayin I'm an angel but damn I thought u knew  
me better  
Why u listenin to these foot draggin hood rats loose  
tongue havin with chicken head habits bitches  
At the end of the day they wish they was u ain't no tellin  
what these bitches'll do u know it's the truth  
If u know so much then where is the proof?
