[Rick Ross - Intro]

In a world of so many, baby girl, you are that one  
I deserve that, I deserve you

[Nicki Minaj - Hook]

I'll do anything that you say  
Anything cause you the boss  
You the boss, you you you the boss man  
You the boss, you you you the boss man  
You the boss, you you you the boss man  
You the boss, you you you the boss man  
You you you the boss, You you you the boss  
You the boss, you you you the boss man  
You the boss, you you you the boss man

[Rick Ross - Verse 1]

Rozay a born stunna, I could blow money  
50 when I'm shopping, that ain't no money  
I got my jeans saggin', money stuffed in 'em  
I got 40 whips, way too much in 'em  
I need me a queen, I need me a dime  
Living this fast life: just show me a sign  
I'm a G, Im-Im-Im-I'm a G, took her from the lame  
Put her on that condo on that beach  
All she needs, a-a-a-a-all she needs  
Is a boss on my level who provides her every need  
All I fiend is a queen in my presence  
I can hold until I die a couple G's in my bezel  
I'm a boss

[Nicki Minaj - Hook]

[Rick Ross - Verse 2]

Still running the streets cause every day I'm hustling  
Double MG went in and the streets is loving it  
All this paper coming and my baby touching it  
I pin her to the wall, you know this boy be bussin' it  
Fur coats in the winter, look like a polar bear  
Stunting in the snow, these haters they can go  
somewhere  
Indoor pool, outdoor pool, indoor court, tuggin' Ray Jay  
moves

Seven Rolls Royces, pink slips like a boss  
Champagne on her body, time to lick it off  
Me and baby girl a winning combination  
Ownership is my conversation  
I'm a boss

[Nicki Minaj - Hook]

[Bridge]  
(Talk to me)  
Oh I'll watch, you play  
(What you saying baby?)  
And I'll do whatever you say  
(Boss)  
I'll watch you play  
And I'll do whatever you say

[Nicki Minaj - Hook]

[Nicki Minaj - Outro]  
You could take it any way you want to  
Daddy I promise that I'll never disappoint you  
Just watch how I make it my motherf-ckin point to  
Get a raise, get a raise
