Hustlin', hustlin'
Every day I'm hustlin'
Every day I'm hustlin'
Every day I'm hustlin'
Every day I'm hustlin'

Every day I'm hustlin'
Every day I'm hustlin'
Every day I'm, every day I'm
Every day I'm hustlin'

Hustle real hard
Hustle, hustle real hard
Hustle real hard
Hustle, hustle real hard

Hustlin', hustlin', hustle
Hustlin', hustlin', hustle
Every day I'm, every day I'm
Every day I'm hustlin'

I'm the f*** future, what you can't see the facts?
Ya want them pretty things, I'm the one ya need to ask
They come 'cross the border, I'm fulfillin' ya order
But the second ya bought her, Fed charges get brought
up

I'm whippin' the case like I'm whippin' the base
Look at that in ya face, now tell me how good is it taste
Willie Falcon, I'm the Dow Jones
Down South where them D-Boys ground zones

We never steal cars, what I'm puttin' miles on
Thirty feet, it cost a couple hundred thousand
My *** bigger than yers at the biddin' wars
I'm the one they biddin' for, dog, I'm just the biggest
drought

I'm in the distribution, I'm like Def Jam
Release fish scales, scales on my desk, man

Every day I'm hustlin'

Every day I'm hustle
Every day I'm hustlin'
Every day I'm hustlin'

Every day I'm hustlin'
Every day I'm hustlin'
Every day I'm hustlin'
Every day I'm, every day I'm

Hustle real hard,
Hustle, hustle real hard
Hustle real hard
Hustle, hustle real hard

Hustlin', hustlin', hustle
Hustlin', hustlin', hustle
Every day I'm, every day I'm
Every day I'm hustlin'

Snowman, I don't even wear the same drawers
Flat screens on my walls, flows look like bowling balls
I know Big Meeks, the real Big Meeks
It's over for you clowns soon as my *** hit them streets

I see you ridin', homie but that ain't hard enough
You know me I might pull up in a armored truck
I stack big faces, I stack small faces
I stack all faces, swear it's white as pillow cases

I got a dirty mouth but my kitchen's clean
Them folks ridin' hid the pots and the triple beams
Hit the Dodge but I must've copped six Magnums
Marriott suite, I must've used six Magnums

Feds on my tail, you know them boys, six flag ya
Got a Testarossa to ride, took 'em on a coaster ride
Sheet mix, remix, still talkin' white bricks
Two million records sold and I'm still talkin' white

Every day I'm hustlin'
Every day I'm hustle
Every day I'm hustlin'
Every day I'm hustlin'

Every day I'm hustlin'
Every day I'm hustlin'
Every day I'm hustlin'
Every day I'm, every day I'm

Hustle real hard
Hustle, hustle real hard

Hustle real hard
Hustle, hustle real hard

Hustlin', hustlin', hustle
Hustlin', hustlin', hustle
Every day I'm, every day I'm
Every day I'm

Hold up!
Who you haters think you talkin' to? I'm the *** boss
White on white, G4, hater, get lost
I'm in the air, I don't hear *** corny raps
Yeah, *** Hov is back, that *** Hov is back

I got a honey bun, no, not a chick
I got a honey bun, millions *** I got couple hundred of
'em
Ninety nine problems prick, don't become the hundreth
one
'Less you got a hundred lives murder bout a hundred,
uh

We don't resort to violence, we on resorts and islands
With linen shorts and shades, case they thought you
was lyin'
My Louis slippers, Polo top
Linen shorts so my *** don't get hot

Yeah, I balls a lot, nah, I owns the team
Ricky Ross, Young Jeezy, we owns the scene
Stop playin' with me lames, y'all not my equal
It ain't no coincidence that my age is a kilo

Which means that I'm porro, which means that I'm
gorro
Which means that I use a G4 like in Auto
I'm a walkin' memorial, I'm legendary for whippin',
whippin' that boss
So *** just let that cause go

Every day I'm hustlin'
Every day I'm hustle
Every day I'm hustlin'
Every day I'm hustlin'

Every day I'm hustlin'
Every day I'm hustlin'
Every day I'm hustlin'
Every day I'm, every day I'm

Hustle real hard

Hustle, hustle real hard
