It's undeniable  
That we should be together  
It's unbelievable  
How I used to say that I'd fall never

The basis is need to know  
If you don't know just how I feel  
Then let me show you now that I'm for real  
If all things in time, time will reveal

One, you're like a dream come true  
Two, just wanna be with you  
Three, girl, it's plain to see  
That you're the only one for me

And four, repeat steps one through three  
Five, make you fall in love with me  
If ever I believe my work is done  
Then I'll start back at one

It's so incredible  
The way things work themselves out  
And all emotional  
Once you know what it's all about, hey

And undesirable  
For us to be apart  
I never would have made it very far  
'Cause you know you've got the keys to my heart

'Cause one, you're like a dream come true  
Two, just wanna be with you  
Three, girl, it's plain to see  
That you're the only one for me

And four, repeat steps one through three  
Five, make you fall in love with me  
If ever I believe my work is done  
Then I'll start back at one

Say farewell to the dark of night  
I see the coming of the sun

I feel like a little child  
Whose life has just begun

You came and breathed new life  
Into this lonely heart of mine  
You threw out of the lifeline  
Just in the nick of time

One, one  
Two, just wanna be with you  
Three, girl, it's plain to see  
That you're the only one for me

And four, repeat steps one through three  
Five, make you fall in love with me  
If ever I believe my work is done  
Then I'll start back at one
