There is no way, I can live without You
There is no way, I can live without You
Burdens are too much for me to bear
There is no way I can live without You

I have tried to make it on my own
But these heavy burdens, these old heavy burdens
They got a little bit too strong
But right now, I can say that without Christ in my life
There is no other way, there is no other way

There is no way, I can live without You
There is no way, I can live without You
Burdens are too much for me to bear
There is no way I can live without You

I have tried over and over
But there is no other way
Is no other way, is no other way
There is no way, I can live without You

I have tried over and over
But there is no other way
Is no other way, is no other way
There is no way I can live without You

I have tried to take it
I couldn't take it, I had to face it
But there is no other way
Is no other way, is no other way
There is no way I can live without You
