Lately I've been spending a lot time by myself
If I can't be with you
I don't want nobody else
Lady, oh lady
Don't leave me here this way
Just trying to find the rights words to say
All I want is to be with you

Chorus:

Are you lonely too? Are you lonely?
Are you lonely too? Are you lonely?
Are you lonely too? Are you lonely?
Are you lonely too? Are you lonely?

Every time I see your face
I get all choked up inside
And it's not like me to be so shy
I'm so confused I don't know what to do

Chorus

See baby, lately I've been spending a lot of time by
myself
If I can't be with you
I don't want nobody else
All I want is to be with you

Chorus
