If it's love  
Why can't I sleep at night  
And I'm so tired at the end of the day  
If it's love  
Why do I have to fight  
Just to make those memories go away

Chorus:  
If it's love  
Why does it hurt so bad  
If it's love  
Why do I feel so sad  
Can I hear you say yeah, yeah  
Can I hear you say yeah, yeah, yeah  
I didn't know  
That one day it would be so hard  
For the two of us just to get along  
I didn't know  
That one day I would be so far  
From the place I thought I belonged

Chorus

Just try to talk about it  
No one wants to hear about it  
You're on your own with those feelings  
If it's love  
Then I should hold you tight  
But you're still a million miles away  
There must be something I can say

Chorus
