Baby you're my best friend
And I've made up my mind
To be together always
Keep you by my side

Chorus:
When you tell me that you need me
Oh yeah
When you tell me that you love me
Oh yeah
When you hold me real close
And you kiss and you hug me
Late in the night, baby
Oh yeah
Don't you ever leave me
I swear I'll lose my mind
And if you don't believe me
Listen one more time

Chorus

Baby you're my best friend
Won't you make up your mind
To be together always
Keep me by your side

Chorus
