Little fat man who sold his soul,
Little fat man who sold his dream...

Pathetic little fat man,
No one's bloody laughing,
The clown that no one laugh's at,
They all just wish he'd die.

He's so depressed at being hated,
Fatso takes his own life,
He blows his stupid brains out,
But the twat would probably miss.

He sold his soul for a shot at fame,
Catchphrase and wigs and the jokes are lame,
He's got no style, he's got no grace,
He's banal and facile, he's a fat waste of space

See his pug-nosed face...Pug, pug, pug, pug,
See his pug-nosed face...Pug, pug, pug, pug,
See his pug-nosed face...Pug, pug, pug, pug,
The little fat man with the pug-nosed face, Pug, pug,
pug, pug,
Little fat man, pug-nosed face, Pug, pug, pug, pug,
He's a little fat pug-nosed face, Pug, pug, pug, pug.
