I'll tell you a secret
And leave it between you and me
I think I love you
Maybe yes, maybe no
And I kissed you instinctively
Without knowing what you'd do
I stabbed myself in the heart
In front of your body
I'm broken
I feel blessed by your love
Held in your arms
It's melted
The iceberg of my frozen heart
Now I'm afraid
If I tell you the truth
My ego will suffer
My vanity destroyed
I touched you immediately
Suicide heart
I fell in love
I loved you voluntarily

It's you, my secret, it's you

I love you, it's true I love you
