Talk to me
Tell me your name
You blow me off like it's all the same
You lit a fuse and now I'm ticking away
Like a bomb
Yeah, baby

Talk to me
Tell me your sign
You're switching sides like a Gemini
You're playing games and now you're hittin' my heart
Like a drum
Yeah, baby

Well if lady luck gets on my side
We're gonna rock this town alive
I'll let her rough me up
Till she knocks me out
'Cause she walks like she talks
And she talks like she walks

And she bangs, she bangs
Ooh baby
When she moves, she moves
I go crazy
'Cause she looks like a flower but she stings like a bee
Like every girl in history
She bangs, she bangs
I'm wasted by the way
She moves, she moves
No one ever looked so fine
She reminds me that a woman got one thing on her
mind

Talk to me
Tell me your name
I'm just a link in your daisy chain
Your rap sounds like a diamond map to the stars
Yeah, baby

Talk to me
Tell me the news

You wear me out like a pair of shoes
We'll dance until the band goes home
Then you're gone
Yeah, baby

Well, if it looks like love should be a crime
You'd better lock me up for life
I'll do the time with a smile on my face
Thinking of her in her leather and lace

And she bangs, she bangs
Ooh baby
When she moves, she moves
I go crazy
'Cause she looks like a flower but she stings like a bee
Like every girl in history
She bangs, she bangs
I'm wasted by the way
She moves, she moves
No one ever looked so fine
She reminds me that a woman got one thing on her
mind

Well, if lady luck gets on my side
We're gonna rock this town alive
I'll let her rough me up
Till she knocks me out
'Cause she walks like she talks
And she talks like she walks

And she bangs, she bangs
Ooh baby
When she moves, she moves
I go crazy
'Cause she looks like a flower but she stings like a bee
Like every girl in history
She bangs, she bangs
I'm wasted by the way
She moves, she moves
No one ever looked so fine
She reminds me that a woman got one thing on her
mind

She bangs, she bangs
She moves, she moves
She bangs, she bangs
She moves, she moves
She bangs, she bangs
Ooh baby
She moves, she moves
I go crazy

'Cause she looks like a flower but she stings like a bee
Like every girl in history
She bangs, she bangs
I'm wasted by the way
She moves, she moves
No one ever looked so fine
