Best is to tell good-bye,  
To see how hate is born,  
And be glad to remember,  
To continue live almost like enemies,  
It is not ours or anybody's fault.  
Best is to tell good-bye,  
To follow the patience,  
And attend this shipwreck,  
Between you and me,  
Nothing is good,  
Even friendship,  
When we have a good choice.  
When we are returning on the error,  
You' will try to give love to the stranger,  
When I sleep  
What do I dream, comfort,  
That we are escaping from the heart.  
Best is to tell good-bye,  
To follow the patience,  
And attend this shipwreck,  
Between you and me,

Nothing is good,  
Even friendship,  
But I know what is really truth,  
Best is to tell good-bye
