There is one place where I am bandaged with the sea,

Ali, ali, ho,

Where people love you and place where you were born,

Ali, ali, ho,

There is source of cristal,

Ali, ali, ho,

You can hide with me,

Ali, ali, ho,

There is, there is,

One ceremony which is unique

For all is sensational,

This ceremony is today.

We are running on the fields,

Ali, ali, ho,

Stars are showing the way to us,

Ali, ali, ho,

I am walking with you without fear,

Ali, ali, ho,

On the place where I will love you,

Ali, ali, ho,

There is, there is,

One ceremony which is unique,

For all is sensational,

This ceremony is today,

There is, there is,

One ceremony which is unique,

I sing to you,

This ceremony is today
