I came a long way  
From out of nowhere  
I stand before you  
All alone  
Like a wolf's cry in the distance  
I heard the calling  
Of your soul  
Oh... I hear you cryin'

CHORUS:

With your love  
Show me how to live  
'Cause you are made of me  
And I am made of you  
With your life  
Show me how to give  
You are made of me  
And I am made of you.

We'll walk together  
Through the fire  
Through the darkness  
To the sun  
Like two raging rivers full of passion  
At the ocean  
We are one  
Oh... I hear you cryin'

CHORUS

I am made of you  
You are made of me  
And everything you are  
Is what I'm meant to be  
I am made of you  
You are made of me  
And everything I am  
Is what you made of me  
Oh... I hear you crying  
Oh...Through the darkness  
To the light...  
With your love

Show me how to live  
'Cause you are made of me  
And I am made of you  
With your life  
Show me how to give  
You are made of me  
With your heart  
Show me what is true  
'Cause you are made of me  
And I am made of you  
With your soul  
Walk my spirit through  
You are made of me  
And I am made of you  
Oh... I hear you crying  
Through the darkness  
To the light...
