Huu yea  
Come on  
Yea yea

This world don't turn when you're not in my arms  
The sun don't shine whenever I'm without you  
And there's an empty space inside my heart  
When you're gone  
(When you're gone)  
And whenever you're gone, it's too long  
And the waitings driving me crazy  
Baby I'm not alive  
'Til you're here by my side  
(Ohh ohh ohh)

I count the minutes  
I count the hours  
I count the seconds  
( 'Till you're here by my side again)  
And every minute  
Goes on for hours  
Until you're with me  
( 'Til I look in your eyes again)

And time is standing still 'till you're here with me  
I need your love, set me free, set me free

Each night's a lifetime when I'm not with you  
And every day just seems to, take forever  
I'm missing when I should be kissing you  
I can't wait  
(I can't wait)  
'Cause I live for the love that we make  
(For the love that we make)  
I can't breathe 'til I feel you beside me  
And I'm lost in the dark  
'Til you're here in my arms  
(Ohh ohh ohh)

I count the minutes  
(Count the minutes)  
I count the hours

(Count the hours)  
I count the seconds  
(Til you're here by my side again)  
And every minute  
(Every minute)  
Goes on for hours  
(Goes on for hours)  
Until you're with me  
(Til I look in your eyes again)

The time is standing still 'til you're here with me  
I need your love, set me free, set me free

I can't wait a minute more to, to touch you  
Because I love you, baby  
(Love you)  
Don't make me stay away from you too long  
'Cause this waitings driving me crazy  
Baby, I'm not alive 'til you're here by my side  
(Til you're here by my side)  
Ohh, ohh, ohh

I count the minutes  
I count the hours  
I count the seconds  
(Til you're here by my side again)

I count the minutes  
(Count the minutes)  
I count the hours  
(Count the hours)  
I count the seconds  
(Count the seconds 'til you meet me girl)  
(Til you're here by my side)  
Ohh, yea  
And every minute  
(Every minute)  
Goes on for hours  
(Goes on for the hours)  
Until you're with me  
(Til I look in your eyes)

I count the minutes  
(Can't live without you)  
I count the hours  
(Would be hours)  
I count the seconds  
(Til you're here by my side again)  
(Ohh yea)  
Ohh yea  
And every minute

(And every minute)  
Goes on for hours  
(Goes on for hours)  
Until you're with me  
('Til I look in your eyes again)  
Ohh, yea

Ahh ahh  
Ahh ahh  
Ahh ahh  
'Til I look in your eyes again
