Life is

Sheer passion

You have to fill

The cup with love

In order to live

You have to fight/struggle

A heart to win

Like Cain and Abel

It's a cruel game

You have to fight for a star

Obtain honorably

The cup of love

To survive and to fight for it

Fight for it (Yes!)

Fight for it (Yes!)

You and I! ¡Alá, alá, alá

Go, go, goal! ¡Alá, alá, alá

Up they go! The whole world is standing

Go, go, goal! ¡Alá, alá, alá

Life is

Competition

You have to dream

Be a champion

The cup is

The blessing

You will win it

Go, go, go!

Your natural instinct

To defeat your rival

You have to fight for a star

Win honorably

The cup of amor

To survive and to fight for it

To fight for it (Yes!)

To fight for it (Yes!)

You and I
