QuÃ© serÃ¡i oh quÃ© serÃ¡i
The future will be, will be with us
I've seen the headlines
In the paper
They say the end is coming soon
I wanna make love till it's over
If I'm goin' down it'll be with you

CHORUS

Let me love you for a day
Let me have you for a night
Let me take you far away
Into forever...ay, ay, ay
I don't wanna let you go
Nena yo...
Let me undress your soul
Ay, ay, ay...
I can take you to another world
Never go
Let me take you home tonight
QuÃ© serÃ¡i oh quÃ© serÃ¡i

As the countdown's getting closer
There is madness in the air
I wanna be under the covers
Baby, in your arms without a care

REPEAT CHORUS

QuÃ© serÃ¡i oh quÃ© serÃ¡i
The future will be, will be with us

Let me love you for a day
Let me have you for a night
Let me take you far away
Let me love you for a day
Let me hold you through the night
I know my love will make you stay
With me forever...ay, ay, ay
I don't wanna let you go
Nena yo...

Let me undress your soul
Ay, ay, ay...
I can take you to another world
Never go
Let me take you home tonight
