Que sera oh que sera
The future will be will be with us

I've seen the headlines in the paper
They say the end is coming soon
I wanna make love till it's over
If I'm goin' down it'll be with you

Let me love you for a day let me love you for a night
Let me take you far away into forever
Ay ay ay I don't wanna let you go
Nena yo let me undress your soul
Ay ay ay I can take you to another world
Never go let me take you home tonight

Que sera oh que sera

As the countdown's getting closer
There is madness in the air
I wanna be under the covers
Baby, in your arms without a care

Let me love you for a day let me love you for a night
Let me take you far away into forever
Ay ay ay I don't wanna let you go
Nena yo let me undress your soul
Ay ay ay I can take you to another world
Never go let me take you home tonight

Que sera oh que sera
The future will be, will be with us

Let me love you for a day let me love you for a night
Let me take you far away into forever
Let me love you for a day let me love you for a night
Let me take you far away into forever

Ay ay ay I don't wanna let you go
Nena yo let me undress your soul
Ay ay ay I can take you to another world
Never go let me take you home tonight

Ay ay ay I don't wanna let you go
Nena yo let me undress your soul
Ay ay ay I can take you to another world
Never go let me take you home tonight

Ay ay ay let me take you home tonight
Nena yo let me take you home tonight
Ay ay ay let me take you home tonight
Never go let me take you home tonight
