Marcia

Marcia dances

She's slowly taking off her dress

Marcia

Marcia dances

Step by step I follow her

Marcia dance(s) with me

Marcia

Marcia dances

Anesthetizing my senses

Marcia

Marcia dances

Just like a heart dances

A heart

In order to not die

Has to dance

Marcia turns all around the room

She dances nude--the dance of passion

I let myself be carried away by her seduction

And in the end I always fall into temptation

Marcia gives me life

And steals everything from me

Marcia dance(s) with me

Marcia drives me crazy
