Come shakin' ass all across the floor

Jack and Jill ran up the hill to tell Snoop the big dog
have a big ball
And he invited the tightest MC's
From the East and the West and the best dressed
ladies
Got in for free, oh it's all on me
It ain't where ya from it's about where ya be

Feel good and good is what it feel like
We got the phone and the party off the hook tonight

[Val Young]

1- A little bit of this, a little bit of that
You ain't seen nothing yet
Come on in, we're gonna have a good time
A little bit of this, a little bit of that
You ain't seen nothing yet
Come on in, we're gonna have a good time

[1 repeated x2 with Hook in background]
