[Joss Stone]

da da did did..did da da da

da da did did..did da da da

da da did did..did da da da

[Ricky Martin]

I'm as happy as I can be

Coz I'm allergic to tragedy

The doctor says something wrong with me

The smile on my face has no remedy

[Chorus]

Don't say no

Come on..and just say yes

You know its time to keep it simple

Lets take a chance and hope for the best

Life is short so make it what you wanna

Make it good, don't wait until maÃfÂ±ana

I think I'm cool cause your name's on the short sheet,
now do

The best thing about me is you

[Joss Stone]

I climbed days on the history

I had a change of philosophy

I take these days as it comes to me

And I won't take myself off that seriously..so

[Chorus]

So, baby don't say no!

C'mon just say yes!

You know it's time to keep it simple,

Let's take a chance and hope for the best!

Life's short, so make it what you wanna,

Make it good, don't wait until maÃfÂ±ana!

I think I'm cool cause your name is on the star chips
tattoo,

Now, the best thing about me is you!

[Ricky Martin]

Its youÃ¢â€Œ!

[Joss Stone]

Oh the best thing about me is you

[Ricky Martin]

Now the best thing about

[Joss Stone]

Oh yes it is..
[Ricky Martin]
is you..wooo..oo
[Ricky Martin]
Take off your shoes, lay back, and take a load off
Give me your blues, let me love it away
Nothing to lose, so don't act like such a grownup
[Ricky Martin, Joss Stone]
Stay out all night in the moonlight with me
(Just say yes)
Come on..and just say yes
You know its time to keep it simple
Lets take a chance and hope for the best
Life is short, so make it what you wanna,
Make it good, don't wait until maÃ±ana!
I think I'm cool cause your name is on the star chips
tattoo,
And the best thing about me is you..wo..ooo
Is you wo..oo
And the best thing about me is you
Now the best thing about me is you
And the best thing about me is you
Best thing about me is you
The best thing about me is you
