You need to fly, you need to flow  
You need to let it all go  
You need to fall but you say  
"Criminal wicked, dirty, sticky don't touch"

Surf out the wave, we're at the age  
Where we don't have to behave  
And life is fast, oh don't you see  
The clock's ticking for me and you

A time to live, a time to love  
A time for fun you want to come here we go  
Just dance with me, dance with me  
Slide you up against the door, tell me

(This is good)  
So what so bad  
(This is good)  
It drives me mad  
(This is good)  
So don't say no  
(Dance with me tonight)  
Baby it's so  
(So good to be alive)

So what so bad  
(This is good)  
It drives me mad  
(This is good)  
So don't say no  
(Dance with me tonight)  
Baby it's so  
(So good to be alive)

She'll take a crash, she'll take a dive  
Let this all this will drift with the tide  
And come to me, I got your salt skin  
Dripping on the tip of my tongue

She'll close your eyes and kiss my lips  
If you're as simple as this  
We're here tonight and it's so criminal wicked

Dirty, sticky let's touch

A time to live, a time to love  
A time for fun you want to come here we go  
Just dance with me, dance with me  
Slide you up against the door, tell me

(This is good)  
So what so bad  
(This is good)  
It drives me mad  
(This is good)  
So don't say no  
(Dance with me tonight)  
Baby it's so  
(So good to be alive)

So what so bad  
(This is good)  
It drives me mad  
(This is good)  
So don't say no  
(Dance with me tonight)  
Baby it's so  
(So good to be alive)

Come walk with me into the night  
Feel me inside, body tonight, tell me

(This is good)  
So what so bad  
(This is good)  
It drives me mad  
(This is good)  
So don't say no  
(Dance with me tonight)  
Baby it's so  
(So good to be alive)

So what so bad  
(This is good)  
It drives me mad  
(This is good)  
So don't say no  
(Dance with me tonight)  
Baby it's so  
(So good to be alive)

Feel so good, keep it coming fast  
Feel so good and make it last  
(Dance with me tonight, so good to be alive)

Feel so good, keep it coming fast  
(This is good)  
Feel so good and make it last  
(Dance with me tonight, so good to be alive)

(This is good)  
So what so bad  
(This is good)  
It drives me mad  
(This is good)  
So don't say no  
(Dance with me tonight)  
Baby it's so  
(So good to be alive)

So what so bad  
(This is good)  
It drives me mad  
(This is good)  
So don't say no  
(Dance with me tonight)  
Baby it's so  
(So good to be alive)

So what so bad  
(This is good)  
It drives me mad  
(This is good)  
So don't say no  
(Dance with me tonight)  
Baby it's so  
(So good to be alive)

So what so bad  
(This is good)  
It drives me mad  
(This is good)  
So don't say no  
(Dance with me tonight)  
Baby it's so  
(So good to be alive)
