Only you,

Only you will know,

To look in what I feel,

A love passed the time and nothing more.

I who loved you,

Who had never lied to you,

I gave myself only to you,

And, I lost you.

You will come back, you will come back,

I am sure that soon you will come back into my life,

And I'll never ask for your kisses,

You will drink all my energy.

Only you,

Only you will know,

My secret,

A letter written in the sea,

I wanted you

More than anything else,

I betting everything on you,

I played,

And I lost you
