(Stacey Dean Campbell/A. Anderson)

Baby, won't you come back home
I'm tired of being all alone
Just sittin' on a barstool
Actin' like a sad fool
Ever since you've been gone

Do I love you
Do I miss you
Honey, I do
Do I cry
Since you've said goodbye
Honey, I do
Honey, I do
Honey, I do

I just put fifty-five dollars away
Just to hear that ol' jukebox play
'Cause I found your favourite love song
Played it all night long
And all I got is heartache

Do I love you
Do I miss you
Honey, I do
Do I cry
Since you've said goodbye
Honey, I do
Honey, I do
Honey, I do

Do I, do I miss you
Honey, I do
Oh, you know I do, honey

I got the honky tonk blues again
This loneliness just won't end
There's your memory
In everything I see
Here it comes again

Do I love you
Do I miss you
Honey, I do
Do I cry
Since you've said goodbye
Honey, I do
Honey, I do
Honey, I do

Do I, do I miss you
Honey, I do
I do, I do
I miss you
I do
