Where you gonna go, babe  
When the sun goes down  
When you're all alone, babe  
Ain't no love around

When your glass is empty  
And it can't be filled  
And you're thinkin' about you and me  
And you're thirsty still

What 'cha gonna do about losin' me  
What're you countin' on  
What 'cha gonna do about losin' me  
Once I'm gone

Did you think that you could just keep using me  
Do you really think I was that kind  
What 'cha gonna do about losin' me  
What 'cha gonna tell yourself this time

How you gonna feel, babe

Come some sunny morn  
When it dawns upon you  
How it all went wrong

And will you remember  
Will you ever see  
I was only worth  
What you could get from me

What 'cha gonna do about losin' me  
What're you countin' on  
What 'cha gonna do about losin' me  
Once I'm gone

Did you think that you could just keep using me  
Do you really think I was that kind  
What 'cha gonna do about losin' me  
What 'cha gonna do, babe

What 'cha gonna do, babe, yeah

What 'cha gonna tell yourself this time

What 'cha gonna do about losin' me
