On Christmas morn,
among my toys,
I thought I heard,
a funny noise,
Ran downstairs so I could see,
Just what Santa Clause had left for me.

Something barked on Christmas Morning,
Underneath our Christmas Tree
I saw it moving and what a surprise
Shiny black nose,
and two shiny eyes

There beside my other presents
Tied with a ribbon of blue

something barked on Christmas Morning
and said Merry Christmas I'm for you

There beside my other presents
Tied with a ribbon of blue

Something barked on Christmas morning
And said Merry Christmas
woof, woof,
Said Merry Christmas,
woof, woof
Said Merry Christmas I'm for you
