I don't know where I belong  
I feel as cold as a burnt out love song  
Look how we fell out of line  
Not even heaven could save us this time  
It's too late

Don't go trying to be the hero  
Ooohh  
If you can't save yourself  
Don't try giving me your whole life  
Ooohh  
If you want someone else

Oh I am only a man  
I've only given you all that I am  
So go and throw me away  
I wanna know that I'm just a mistake  
It's too late

Don't go trying to be the hero  
Ooohh  
If you can't save yourself  
Don't try giving me your whole life  
Ooohh  
If you want someone else

Tell me your, your secrets  
They feel so wrong  
Tell me you are leaving  
I knew all along  
We are going crazy  
Yeah so they say  
If it's really over  
Get out of my way  
Get out of my way

I don't know where I belong  
I feel as cold as a burnt out love song  
It's too late  
It's too late

Don't go trying to be the hero

Ooohh  
If you can't save yourself  
Don't try giving me your whole life  
Ooohh  
If you want someone else
