

Rides Again "Wonder Why"

Waking up past noon again
Figured out I have no friends
Sit around in dirty clothes
Sanity, it comes and goes

Can a doctor fix my brain?
Noone even knows my name
Checking all my vital signs
Let me know I'm still alive

Last time
I promised myself I would change
I will change

I wonder, wonder why
Every day we live our lives, the same
I wonder, wonder why
We give up before we try, to change

Work a job from 9 'til 5
Settle for a trophy wife
Rent a house and buy a car
Growin' up is way too hard

I never wanna be
Mr. Prosperity
Some rules were meant to break
I'll do things my own way

Last time
I promised myself I would change
I will change

I wonder, wonder why
Every day we live our lives, the same
I wonder, wonder why
We give up before we try, to change

This time
I am getting better
And I feel fine
Nothing is forever

And I wonder, wonder why
We give up before we try, to change
Why can't we change?
Oh oh why can't we change?
Oh, why can't we change?
Oh, why can't we change?

I wonder, wonder why
Every day we live our lives, the same
I wonder, wonder why
We give up before we try, to change

This time
I've promised myself I would change...
