Did you mean to take your coat off
Or just stand in my doorway?
I fight to keep my temper
Try to figure what to say

"Please believe me",
You tell me as if I don't
Well, please believe me,

(That) Chances are you'll loose yourself
Loose yourself to someone else
I made that mistake when I was young
And the time it takes to give it back
Is somewhere that I don't know if
I can stay anymore

You found courage to let your heart through
And I don't want to let you down
Its a little late to get to
How this can all go wrong

"Please believe me",
You tell me as if I don't
Well, please believe me,

(That) Chances are you'll loose yourself
Loose yourself to someone else
I made that mistake when I was young
And the time it takes to give it back
Is somewhere that I don't know if
I can stay anymore

But you love & you loose
And you take & you choose
And you don't even know what you've done
And if you want it someday
But forget how to pay
And you don't even know what you've done...
