Yo what up you know  
What's up dawg  
Just kicking this on the thing for the basketball  
White men  
White men  
White men  
Yeah yeah  
White men  
To the beat ya'll  
White men  
To the beat ya'll  
White men

Sometimes you have to do  
What you gotta do  
To even out the score  
Don't ever fake your game  
It's not a sure thing  
Hold on and get it through

Bet your bottom dollar  
That you can make them holler  
Don't you know that white men can't jump  
And if you say it louder  
Than you might make me prouder  
Don't you know that white men can't jump  
White men can't jump

White men  
To the beat ya'll  
White men  
To the beat ya'll  
White men  
To the beat ya'll  
Don't you know that white men can't jump

Don't play me like I'm some guy  
Cauz I'm not that  
I can do anything that you do  
I may not be from?  
But I can catch anything  
I realize that a man's gotta do what he's gotta do

Bet your bottom dollar  
That you can make them hollar  
Don't you know that white men can't jump  
And if you say it louder  
Than you might make me prouder  
Don't you know that white men can't jump  
White men can't jump  
Bet your bottom dollar  
That you can make them holler  
Don't you know that white men can't jump  
If you say it louder  
Than you might make me prouder  
Don't you know that white men can't jump  
White men can't jump

Hustle like your brother  
Trying to make livin  
Needs the dough but where you gonna go  
White men  
Black men  
White men respect  
Black man gets the check and?  
Here's the scoop they shoot hoop for loot  
Go to play but don't go to stay  
No matter what you do  
There gunna treat you like a chump  
Cauz white men just can't jump

Bet your bottom dollar  
That you can make them holler  
Don't you know that white men can't jump  
And if you say it louder than you might make me  
prouder  
Don't you know that white men can't jump  
White men can't jump  
White men  
White  
White men  
Yeah, yeah  
Bet your bottom dollar  
Don't you know that white men can't jump  
White men  
Yeah, yeah  
White men can't jump  
Bet your bottom dollar  
That you can make them holler  
Don't you know that white men can't jump  
You know you can do it  
And if you say it louder  
Say it louder

Than you might make me prouder  
Don't you know that white men can't jump  
White men can't jump.
