I'm fired up aboutcha but you got your guard up like a
boxer
When you don't have to worry I won't hit you I will watch
ya
Back like a slammin stamina training woman in a gym
On the treadmill running like Kim and every man is Slim

You got the married suits planning a sin
Heads turn like half the time a coin's flipped like
Marilyn
Monroe, Norma Jean lookalike it's not a normal scene
When you make an entrance got more action than a
rolling film

you take me everywhere but I gotta let ya see
with me you can't compete cause you got stiletto speed

you run away but i'm ahead
you start a fire
catwoman you should fear the jungle
cause i'm a lion

running from another summer fling to something that i
can't
fuck up like Chaka Khan I am on a trip through the fire
I have returned like a motherfucking soccer mom to do
a pick-up
I observe the fire burn and feel it but won't move no
show through
i'm so cool but not clean i'm dirty
like a dreaded pirate with scurvy
sailing a shore and i'm sure as hell feeling flirty

you take me everywhere but I gotta let ya see
with me you can't compete cause you got stiletto speed

you run away but i'm ahead
you start a fire
catwoman you should fear the jungle
cause i'm a lion
