Verse 1

Girl (what you said?)
I feel (you don't know me?)
Your style

Hope (what I hear?)
You feel (you now owe me?)
My smile

We (what you do?)
Will go (I couldn't care less!)
For miles

Grab (from what I've heard)
That thing (you like sex)
And drive

Pre-chorus

So come on girl are you ready to go?
I know you like me you do, come on!
You give it away for you loose control
Yeah I like you, I do, come on x2

Chorus

She won't drive slow
Ready to go
Hot so she'll blow
(That's why they call her the porn scar!)

She likes it fast
Bottom the gas
Bottom her ass
(That's why they call her the porn scar!)

Verse 2

Rock to the sight of that faraway smile
That girl is lookin fine, she's a slice of pie
I'm so cool you freeze up,
Now watch me feel these d's up

Sick of this foolspoofin' bound the ground
Locked on a targettoothick for the rounds

Her and me are flirting certainly,
So jerk off, don't try hurting me

Feel the sixfeethe is diggin' for himself
Moon rocketspaceride up to the shelf
On the floor I got the flow of a river,
I move sexy with her, I'm the ecstasy giver

Oh nowhe'saware of his insanity
Brought with the moves, the deep clarity
I get the hunnies like I'm the bees it's funny
You couldn't get sugar even if you had money

Yeah I like you, I do, come on x2

Ready to go
Hot so she'll blow
(That's why they call her the porn scar!)

She likes it fast
Bottom the gas
Bottom her ass
(That's why they call her the porn scar!)

Interlude

Hey baby, I know I like you a lot so
Do you want this to be or not to be?
Yeah, you like that kind of Shakespeare talk?
Do you want this to be, or not to be?
Uh!
I don't dig you style!
I don't like your style

Pre-chorus

So come on girl are you ready to go?
I know you like me you do, come on!
You give it away for you lose control
Yeah I like you, I do, come on x2
