Intro

Yo wanna get some of this?
Yo wanna get a piece of this?
Yo want hips or lips?
What's the differences?

Yo wanna get some of this?
Yo wanna get a piece of this?
Yo want hips or lips?
Come on really what's the differences?

Verse 1 (Gato#92)

Do not hate the player
Do not even hate the game
Do not declare war you're fuckin' insane
This world's not to be blamed by you goin' insane but

Mirror back at age 50
Mirror back on what you lost
Mirror back to the cost of the useless
Stuff bought stuffed down the market cart

Pre-chorus

Dance Â- so you want me to dance?
Bounce Â-how you want me to bounce?
Move Â- move up close to you?
When you on the grind you just hear the sound Â- rattle
for fame

Dance Â- where you want me to dance?
Bounce Â- what you want me to bounce?
Groove - yeah you know I can groove!
When you're on the grind you just hear the sound - this
is what you find

Chorus

Yo wanna get some of this! ? (aight you heard it!)
Yo wanna get a piece of this! ? (mutherf*****!)
Yo want hips or lips! ? (punk!)
What's the differences! ?

Yo wanna get some of this? (muthaf*****!)

Yo wanna get a piece of this? (get the f*** out!)
Yo want hips or lips? (biiitch!)
What's the differences?

Verse 2 (Gato#92)

Never fucked the queen
Never worth what you lived through
Never fit for the things that you take now you
Slave for a g-spot orgasm you had to fake

Knife blade fuckin' sharp
Knife cut fuckin' hard
Knife history of cuts, raided scenes and lust
Have if I must trust this cause to be just so

Pre-chorus

Dance Â- so you want me to dance?
Bounce Â-how you want me to bounce?
Move Â- move up close to you?
When you on the grind you just hear the sound Â- rattle
for fame

Dance Â- where you want me to dance?
Bounce Â- what you want me to bounce?
Groove - yeah you know I can groove!
When you're on the grind you just hear the sound - this
is what you find

Chorus

Yo wanna get some of this?
Yo wanna get a piece of this?
Yo want hips or lips?
What's the differences?

Yo wanna get some of this? (muthaf*****!)
Yo wanna get a piece of this? (get the f*** out!)
Yo want hips or lips? (biiitch!)
What's the differences?

Verse 3 (Hempzee#93)

Fillin the building with flowing syllables to the ceiling
Released with ease and skillful delivering
Of legendary status at those fans in the stands
Hands up in the air emancipating inner dancers

Of fresh jams known as the primary enhancers
Got questions ask 'em we rhyme the answers
Influenced by the fusions the funks and the jazzes
It's madness, our music is cancerous

It's transmitting hitting your synapses

Right on time signed delivered your adress
Packed with rap attack that matters maddest
Cool as the polar you wonder what that is

Yeah that's the knives the thing unravels
You don't believe the hype you bout to miss the
fabulous
Uprise as a rasta spliffin gifted we got this
Verbal, herb, I love it rappin a package

Break
(Besides, a lot of people ask me stupid, fuckin'
questions)

You wanna get some of this! ?

Chorus x4
Yo wanna get some of this! ?
Yo wanna get a piece of this! ?
Yo want hips or lips! ?
What's the differences! ?
