You think you wanna battle  
I'm a grown man, man, man, man

You think you wanna battle  
I'm a bad bitch  
You think you wanna battle  
I'm a bad bitch  
You think you wanna battle  
I'm a bad bitch, bitch, bitch, bitch

TRENI- POOH  
You think you wanna battle  
Uh, too bad  
I'm gonna punch you in your face  
It's gonna fucking make you mad  
You're a loser  
I'm a bad bitch  
Millions of dollars  
Bitch you ain't rich

T-TIME  
This just ain't right  
But you can't fight  
Try to make you right  
Gonna ruin your life  
It'll be your last time living  
Buddy this is just the beginning  
Never the ending  
So what am I saying

CHORUS
