T-Time

I'm watching TV

Stroking my dick while watching pornography

Thinking about making a change

Stuff has been rearranged and now you motherfuckers  
can see while I'm taking range

Gone back to the club now I'm back in the game

Gone to the party

Back for some fucking

Including a whole lot of meditation with licking and  
sucking

Taking down my veins

Stuff has gone from place to place

Einstein can't tie his shoes from lace to lace

I'm about to use my shotgun

Blow!

And as soon as I get my Al Pacino shit on

Scarface vs Motherfucking Pizza Man

Now what dickheads

What part don't you understand

Now I'm gone for the fall

Back from the winter

You are a loser

I am a winner

The-Dream sings a falsetto

And said "You should tip her"

And then he loved your girl and now he rocking that  
thing like

Then Rihanna wanted to go to rehab

And said love was her disease

Katy Perry kissed a girl and she really liked it

I didn't know that she was a lesbian

No offense but you are a gay bitch sorry

After that Chris Brown fucked Rihanna up

Almost went to jail

I'm like what the fuck?

This shit is so hard like a million bucks

If this was the end

I wouldn't give a fuck

If this was the end

I wouldn't give a F-U-C-K 4X

Treni-Pooh

Doing the same thing watching Some Soaps  
Makes me wanna cry  
Yo this shit is dope  
Makes you wanna crack up  
Get on the stage and tell jokes  
All I gotta have is a stroke  
You lucky motherfucker that I didn't even choke  
I would lose my job and my house and get broke  
Bet'cha would've laughed at me  
I will beat up your ass you see  
I'm a Harajuku-Barbie like Nicki Minaj  
Crocking this shit like I'm fucking a cop  
Gave him some so he wouldn't have to lock me up  
Block me up  
So I asked him "Well can I see your big cock or what"  
Then he pulled it out and I started manipulating  
Sucking on it like a lollipop and I'm using no condom in  
it  
I'm a stop being a whore and start making A change  
What can I change my heart or my craves for dicks  
(Rifle Unity): Bitch make a change  
Looking at it acting like I'm the popular chick  
Think you can have money like the million bucks  
If this was the end  
I wouldn't give a fuck

If this was the end  
I wouldn't give a F-U-C-K 4X

Teoni-Booh

Riding in my Cadillac  
Throw some D's on that bitch  
Just bought a Cadillac  
Made by Buick  
Nissan can suck T-Time's dick  
(T-Time): Yeah bitches!  
Don't be hatin on us Cause we got more cash  
Whatever  
All ya'll can kiss my black ass  
Whatever bitches  
I'm not the one to play with  
I'm an angry bitch  
And a takeover witch  
Whatever hoes
