Isn't it strange how madly we are in love
Like the earth and the sky
I think that you're the best girl in the world
And I love you

Isn't it strange how madly we are in love
Like the earth and the sky

Dreams that come true
Could not be better than for me and you
Dreams that come true
Could not be better than for me and you

Isn't it strange how madly we are in love
Like the earth and the sky
I think that you're the best girl in the world
And I love you

Isn't it strange how madly we are in love
Like the earth and the sky

Dreams that come true
Could not be better than for me and you
Dreams that come true
Could not be better than for me and you
Dreams that come true
Could not be better than for me and you
Me and you
Me and you
