Written by danny kirwan.

I wanna see your love

I wanna hear you say

The things that mean so much to me

'cause our love could last forever

Or it could fade away

Across the ocean

Deep commotion

Castaway

Across the ocean

Deep commotion

Castaway

How can I get an answer

When you don't even call

To hear the things I want to say

'cause our love could last forever

Or it could fade away

Across the ocean

Deep commotion

Castaway

Across the ocean

Deep commotion

Castaway

Castaway

And now I'm on my own

Into the sunny day

And then the leaves on the trees

Start to sway

And now I'm on my own

Into the sunny day

And then the leaves on the trees

Start to sway

Then thoughts of you start to spin around my head

Thinks he'd rather be with you instead

Then thoughts of you start to spin around my head

Thinks he'd rather be with you instead

I wanna see your love
I wanna see your love
I wanna see your love
I wanna see your love
