Sitting by the river side
Nothing to do and nothing to hide
All I wanna do is work out
But what can I do when you're about

I'm falling in love with you again
Haven't felt this way
Since I don't know when
I coming like a rolling stone to you
I'm falling in love again

You take me high
You take me low
You think it's fine
Just to take my soul
In the morning when the sun comes up
We take a sip from our loving cup
I'm falling in love with you again
Haven't felt this way
Since I don't know when
I coming like a rolling stone to you
I'm falling in love again
I'm falling in love with you again
Haven't felt this way
Since I don't know when
I coming like a rolling stone to you
I'm falling in love again

Sitting by the river side
Nothing to do and nothing to hide
All I wanna do is work out
But what can I do when you're about

I'm falling in love with you again
Haven't felt this way
Since I don't know when
I coming like a rolling stone to you
I'm falling in love again

I'm falling in love with you again
Haven't felt this way

Since I don't know when
I coming like a rolling stone to you
I'm falling in love again
Ah... falling in love again
Ah... falling in love again
Ooh... falling in love again
