Written by danny kirwan.

Ooh ooh

Ooh ooh

I can tell by the way you're lookin'
With that twinkle in your eye
There's no two ways about it
And that's just the reason why
So if you do come a little bit closer
And soon in a little while
Drift along the highway
And watch the world go by

Tomorrow is another day
Waiting just for you
And then you'll see the only way
And I'll be there too (too) etc.
Ooh ooh ooh ooh
Ooh ooh ooh ooh

I can tell by the way you're lookin'
With that twinkle in your eye
There's no two ways about it
And that's just the reason why
So if you do come a little bit closer
And soon in a little while
Drift along the highway
And watch the world go by

Tomorrow is another day
Waiting just for you
And then you'll see the only way
And I'll be there too (too) etc.
I'll be there too (too) etc.
