(scatting)

You open up on sunday

You're closing down on monday

I don't know why you open at all

You're selling books and old things

Picture frames and gold rings

Anything you can find

Baby baby how do I know

If you're there when I want

To take you to the show

Baby baby how do I know

If you're there when I want

To take you to the show

(scatting)
