Written by danny kirwan.

Oh my girl you were damn damn pretty  
Sleepy-eyed from the ram jam city  
Oh don't you hide  
Oh come inside  
By the side of a truck stack waitin'  
Fortify the lord abatin'(? )  
Oh oh-oh-oh  
Oh oh-oh-oh

Love to bring and love could borrow  
Couldn't hide, couldn't leave tomorrow  
Oh don't you hide  
Oh come inside  
By the light didn't you keep waitin'  
Oh my girl why you hesitatin'  
Oh oh-oh-oh  
Oh oh-oh-oh  
Ah ...

Oh my girl you were damn damn pretty  
Sleepy-eyed from the ram jam city  
Oh don't you hide  
Oh come inside  
By the side of a truck stack waitin'  
Fortify the lord abatin'(? )  
Oh oh-oh-oh  
Oh oh-oh-oh  
Ah ...
